

Print these door handle signs on cardboard or laminate them.

*I am alone but not lonely  
all is well here, all is calm  
this is a special time for me  
to look inside myself  
and find  
the gifts, the gems,  
the space to be my true self*

*Please do not disturb.  
I'll come out  
when I am finished  
with my quiet time.*
